Football DB [Mac/Win]

What's New in the?

Football DB is a football statistics application that can be used to view statistics of your favorite football club. With Football DB you can easily view information on the standings in a football league. If you're a football club owner Football DB can help you to keep track of your team's performances during the season. With the application you will be able to analyze your team's performance and also calculate statistical parameters like average score and goal difference.
