I know this is a old post, but I just came across this software yesterday, and it really makes my life easier by converting my dwg file to cv2 so I can import it to another program. It's especially good for me because I often have to modify lots of 3D models so it's especially useful. I actually used the trial version before I bought it. 2 of 2 people found this review helpful Raymond Kim 20/11/2017 Overall Review Source: Capterra 5 Stars Best software I have found the best software for people who have experience in AutoCad. 1 of

System Requirements For FocusCAD DWG DXF DWF To Image Converter:

Stable Internet Connection. Minimum 64 MB Ram. Minimum 1 GHz Processor. Recommended 1GB Ram. Minimum 1024 x 768 Display Minimum 1024 x 768 Resolution.
